THE COLT'S REVOLVER

THE COLT'S REVOLVERS ARE TRIED AND TRUE REVOLVERS MANUFACTURED BY A RELIABLE FIRM. THE COLT'S REVOLVERS ARE THE SAME TO REVOLVERS THAT THE WINCHESTER REPEATERS ARE TO THE RIFLES AND ARE KNOWN THE WORLD OVER AS THE STRONGEST SHOOTING THE HANDSOMEST AND MOST DURABLE REVOLVER KNOWN WITHOUT ANY EXCEPTION. WHATEVER, THEY ARE HIGHLY ENDORSED BY THE MOST RELIABLE SPORTSMEN AND TARGET SHOOTERS AND WERE ADOPTED BY THE WAR DEPARTMENT OF THE U.S.A. MANY YEARS AGO AND WILL REMAIN THE PEERLESS REVOLVER FOR THE PUBLIC. THE SINGLE ACTION ARMY "FRONTIER" COLT'S REVOLVER FOR TARGET SHOOTING IS MY FAVORITE BUT FOR EMERGENCIES A DOUBLE ACTION NAVY REVOLVER 6 IN BARREL WOULD BE PREFERABLE. IT WAS THE DURABILITY AND EXCELLENCE OF ITS WORKINGS THAT PERSUADED THE ORDNANCE BUREAU

TO ADOPT THE DOUBLE ACTION NAVY COLTS REVOLVER & FORTHELL'S MAYY, THE PERFECT WORKMANSHIP OF THE COLTS HAVE INDUCED MANY TO BUY THEM. THE SINGLE ACTION REVOLVERS TAKE THE LEAD IN CEASE SHOOTING THE HEAVIER THE BETTER.

LARGE GAGE GUNS THE BEST

DONT TELL ME THAT SMALL BORE GUNS ARE COMING INTO STYLE FOR I DONT STORE AS EASY AS A TURKEY SOME PERSONS CLAIM THAT THE RIFLES OF TODAY SHOOT A SMALLER BALL THAN OF OLDER TIMES: THIS ALL MAY BE TRUE BUT AS FOR SHOT GUNS IT IS NOT SO FOR THE OLD MUSKETS AND SHOT GUNS OF FIFTY YEARS AGO WERE USUALLY FOURTEEN GAGE AND THE NOWADAY FAVORITES ARE 12 GAGE GUNS THUS PROVING THAT THE GUNS OF TODAY ARE THE LARGEST BORE THE ADVOCATS OF THE 22 CALIBRE RIFLES SAY, WHAT DIFFERENCE DOES IT MAKE WHETHER YOU HAVE A 22 OR 57 CALIBRE RIFLE IF YOU ONLY HIT A VITAL SPOT, I SAY A GREAT DEAL PROVIDING THAT A 57 DOES NOT GO ANY FURTHER THAN A 22 IT MAKES A LARGE HOLE THUS LETTING MORE BLOOD OUT AND BREAKING MORE BONES THE BALL IS ALSO HEAVIER THUS STRIKING WITH MORE FORCE.

I SAY NEVER GO HUNTING BEARS WITH A 22 RIFLE NOR MOOSE WITH A 38 CAL SHOT GUN GIVE ME A 44 CALIBRE RIFLE AND A TWELVE GAGE SHOT GUN

FOR ALL HUNTING.

A PADDLE FOR LIFE.

IT WAS IN THE FALL OF 1895 THAT A JAM OF LOGS
 COLLECTED ABOVE THE GREAT DAM IN THE HIGHLAND RIVER
 THE DAM WAS PERCHED UPON A HIGH LEDGE ABOUT A MILE
 ABOVE THE PROSPERING TOWN OF WEST HIGHLAND'S. IT
 WAS A VERY HIGH STRUCTURE BUT WAS THOUGHT TO BE
 SECURE UNTILL NOW WITH SUCH AN AWFUL WEIGHT RESTING
 UPON IT, IT BENT OUT AND EVERY NOW AND THEN A BRACE
 OR SLIGHT TIMBER BREAKING THE PEOPLE HOURLY EXPECTED
 THE DAM WOULD HURL ITSELF INTO THE RIVER BELOW AND
 AN AWFOL FLOOD WOULD FLOW THROUGH THE TOWN WHICH WAS
 SITUATED ON THE RIVER BANK. THE FLOATING LOGS AND ICE
 WOULD RUIN THE TOWN AND A GREAT LOSS OF LIFE AND

CANOE AND RIFLE

PROPERTY WOULD ENSUE. ALL THIS HAD PASSED THROUGH THE MIND OF FRANZ ALLEN WHOSE FAMILY RESIDED IN THE OUTSKIRTS OF WEST HIGHLANDS. BORN AND BRED ON THE RIVER HE KNEW EVERY EDDY AND CURRENT IN THE POND. THE MASS OF LOGS WERE SOME RUNAWAYS FROM AN OLD LUMBER CAMP FURTHER UP STREAM AND THE HIGH WATER HAD DISLODGED THEM AND NOW WERE BREAKING DOWN THE DAM. FRANZ HAD ASCERTAINED THAT THE WHOLE JAM WAS LOOSELY HINGED IN THE MIDDLE WHERE A FEW WELL DIRECTED BLOWS WOULD BREAK THE JAM AND THE LOGS WOULD PASS OVER THE DAM IN SAFETY. HE HAD BEEN HOVERING ROUND THE DAM ALL DAY. ALL THIS WHILE FRANZ HAD BEEN THINKING OF A PROJECT. "YES I CAN DO IT" HE SAID JUMPING UP AND HURRIED OFF UP STREAM TO WHERE HIS LITTLE 8 FOOT CANOE WAS KEPT. SOON HE STARTED DOWN TOWARDS THE DAM IN HIS CANOE KEEPING CLOSE TO THE SHORE HE SPED ON. THE CROWD GATHERED ON THE BANKS BEGAN TO CONJECTURE AS TO WHAT HE COULD BE DOING IN SUCH A WHIRLPOOL BUT THEY WERE SOON TO KNOW. FRANZ HAD THOUGHT THERE ARE NO LUMBERMAN WITHIN FIFTY MILES OF HERE AND NONE OF THE MEN HERE CAN WALK A ROLLING LOG. I MUST DO IT HE SAID TO HIMSELF FIERCELY AND A THOUGHT OF HIS FATHER AND MOTHER ROSE BEFORE HIM AND SPURRED HIM ON I MAY BE KILLED THOUGHT FRANZ BUT WHAT IS MY LIFE TO A THOUSAND HE SWUNG OUT INTO THE CURRENT WHEN WITHIN ABOUT A HUNDRED FEET OF THE DAM AND STEERED STRAIGHT FOR THE CENTER OF THE JAM NEARER AND NEARER HE CAME SOON HE DROPPED HIS RADPLE AND TAKING AN AXE FROM THE BOTTOM OF HIS CANOE

CANOE AND RIFLE

STOOD UP STRAIGHT CLAD IN AN OUTHING SHIRT BAREHEADED
AND WITH SLEEVES ROLLED UP HE MADE AN IMPOSING
SPECTACLE HIS

PURPOSE WAS NOW
SEEN BY THE IMMENSE
CROWD THAT
HAD GATHERED AT
BOTH ENDS OF THE
RIVER. AT LENGTH HIS
CANOE BUMPED THE
FURMOST LOG AND
SERVING HIMSELF
FOR THE STROKE
HE LIFTED HIS AXE
HIGH ABOVE HIS
HEAD AND BROUGHT
IT DOWN WITH
TERRIFIC FORCE

ONE TWO THREE FOUR

"ONE-TWO-THREE-FOUR THE FIFTH FETCHED IT
AND WITH A CRASH AND RUMBLE THE WHOLE JAM BEGAN
TO MOVE. FRANZ TURNED DROPPED HIS AXE AND GRABBED
UP HIS PADDLE BUT JUST AS HE HEARD THE RINGING
CHEER OF THE POPULACE HE WAS THROWN VIOLENTLY INTO
THE ICY WATER.

TARGET SHOOTING

FOR ~~THE~~ MID-RANGE AND SHORT SHOOTING THE REMINGTON MATCH RIFLE IS THE RECOGNIZED FAVORITE. TAKING THE 40 CAL CENTRAL FIRE CARTRIDGES. FOR VERY SHORT DISTANCES A STEVENSON FAVORITE 25 CAL RIM FIRE ARE THE MOST ACCURATE AND MOST ~~USEFUL~~. THE NINCHESIER SINGLE SHOT RIFLE ARE ALSO VERY FINE MID RANGE SHOOTERS I SHOULD NEVER RECOMMEND A REPEATING RIFLE TO TARGET SHOOTERS AS THEY ARE TOO HEAVY FOR LONG RANGE SHOOTING I SHOULD ^{CHOOSE} A 30 CAL STEEL JACKETED BULLET. MILITARY WIND GAUGE SIGHT FOR REAR SIGHT AND COMBINATIONS FRONT SIGHT
