Always Victorious.

Ayer's Pills are universally esteemed as a safe and reliable family medicine, and, being sugar-coated, are easy and pleasant to take. For constipation, indigestion, and all bilious disorders, and for sudden colds, they are a prompt and effective remedy. In all cases where an aperient is indicated,

Ayer's Pills

are preferable to any other.

"Ayer's Pills are the best medicine I ever used; and in my judgment no better general remedy could be devised. I have used them in my family and caused them to be used among my friends and employees for more than twenty years. To my certain knowledge many cases of the following complaints have been completely and permanently cured by the use of Ayer's Pills alone: Third-day chills, dumb ague, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and colds. I know that a moderate use of Ayer's Pills, continued for a few days or weeks as the nature of the complaint may require, will be found an absolute cure for the disorders I have named above."—J. O. WILSON, *Contractor and Builder, Sulphur Springs, Texas.*

"In bilious attacks, to which I am subject, I find no medicine so effective as Ayer's Pills."—CHAS. GAMBINI, *Smith's Ranch, Sonoma Co., Cal.*

MARCH--APRIL--MAY

Are the months when Ayer's Sarsaparilla proves especially beneficial. The free use of animal food during winter, while living in over-heated, ill-ventilated rooms and taking insufficient out-door exercise, tends to load the blood with impurities which manifest themselves in liver complaint, bilious disturbances, *that tired feeling*, eruptions, and various other disorders. Ayer's Sarsaparilla being a powerful and highly-concentrated alterative, is the most effective and economical spring medicine ever prepared.

"I have used Ayer's Sarsaparilla as a remedy for the various diseases common to the spring time, and also as a tonic for the system. I find it to be very efficacious, and think that everyone who is troubled with impurities of the blood should try Ayer's Sarsaparilla. I am sure it has no equal as a blood-purifier."—C. E. JAQUITH, *Nashua, N. H.*
